

**HEY KIDS!**

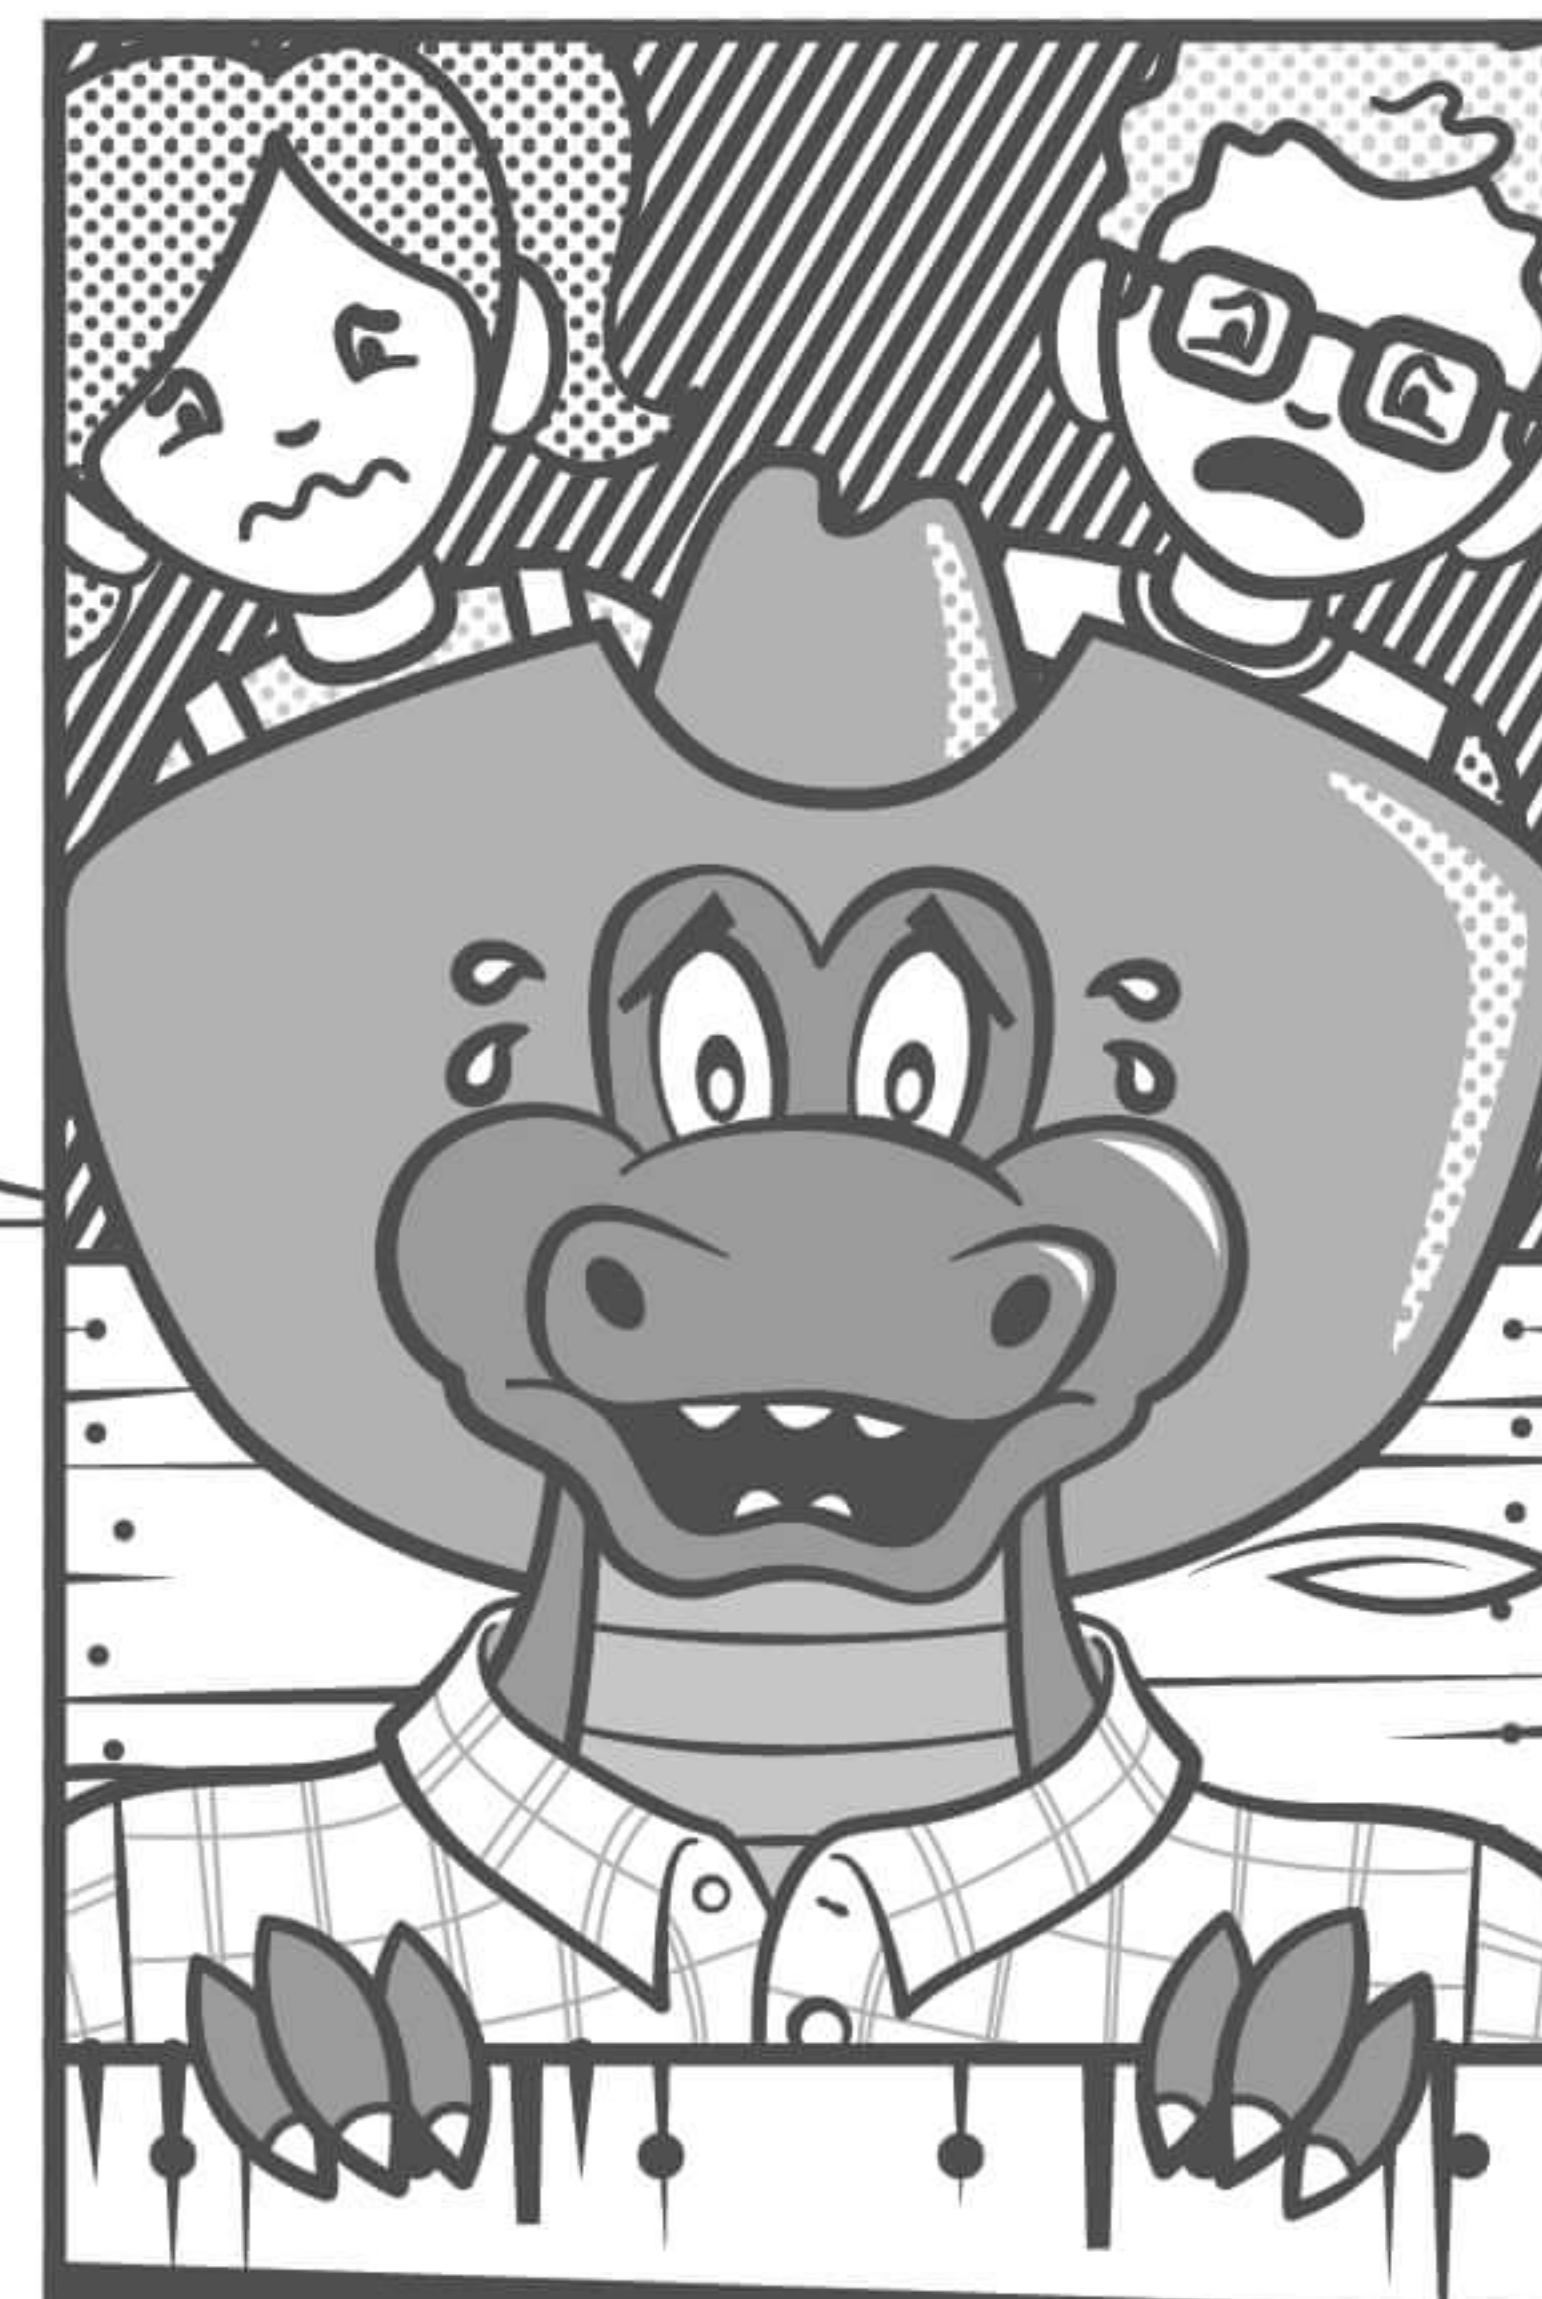

Ask a parent to help you sign up for Rex's birthday club.

**Saddle up, partners! Rex and the gang are in the old west.**

They just got passed by a cowboy riding an ostrich! But otherwise it's been an uneventful journey as they head to a country line dance. Have you ever danced with a dinosaur? They have big tails that can sweep you right off your feet. Be careful!

Oh no! One of the wagon wheels hit an armadillo and broke! Help Rex figure out what Runza® food he can use to replace the wheel so we can keep rolling!
