

**Runza® Rex has never seen the bottom of the ocean, so he's on a submarine adventure!**

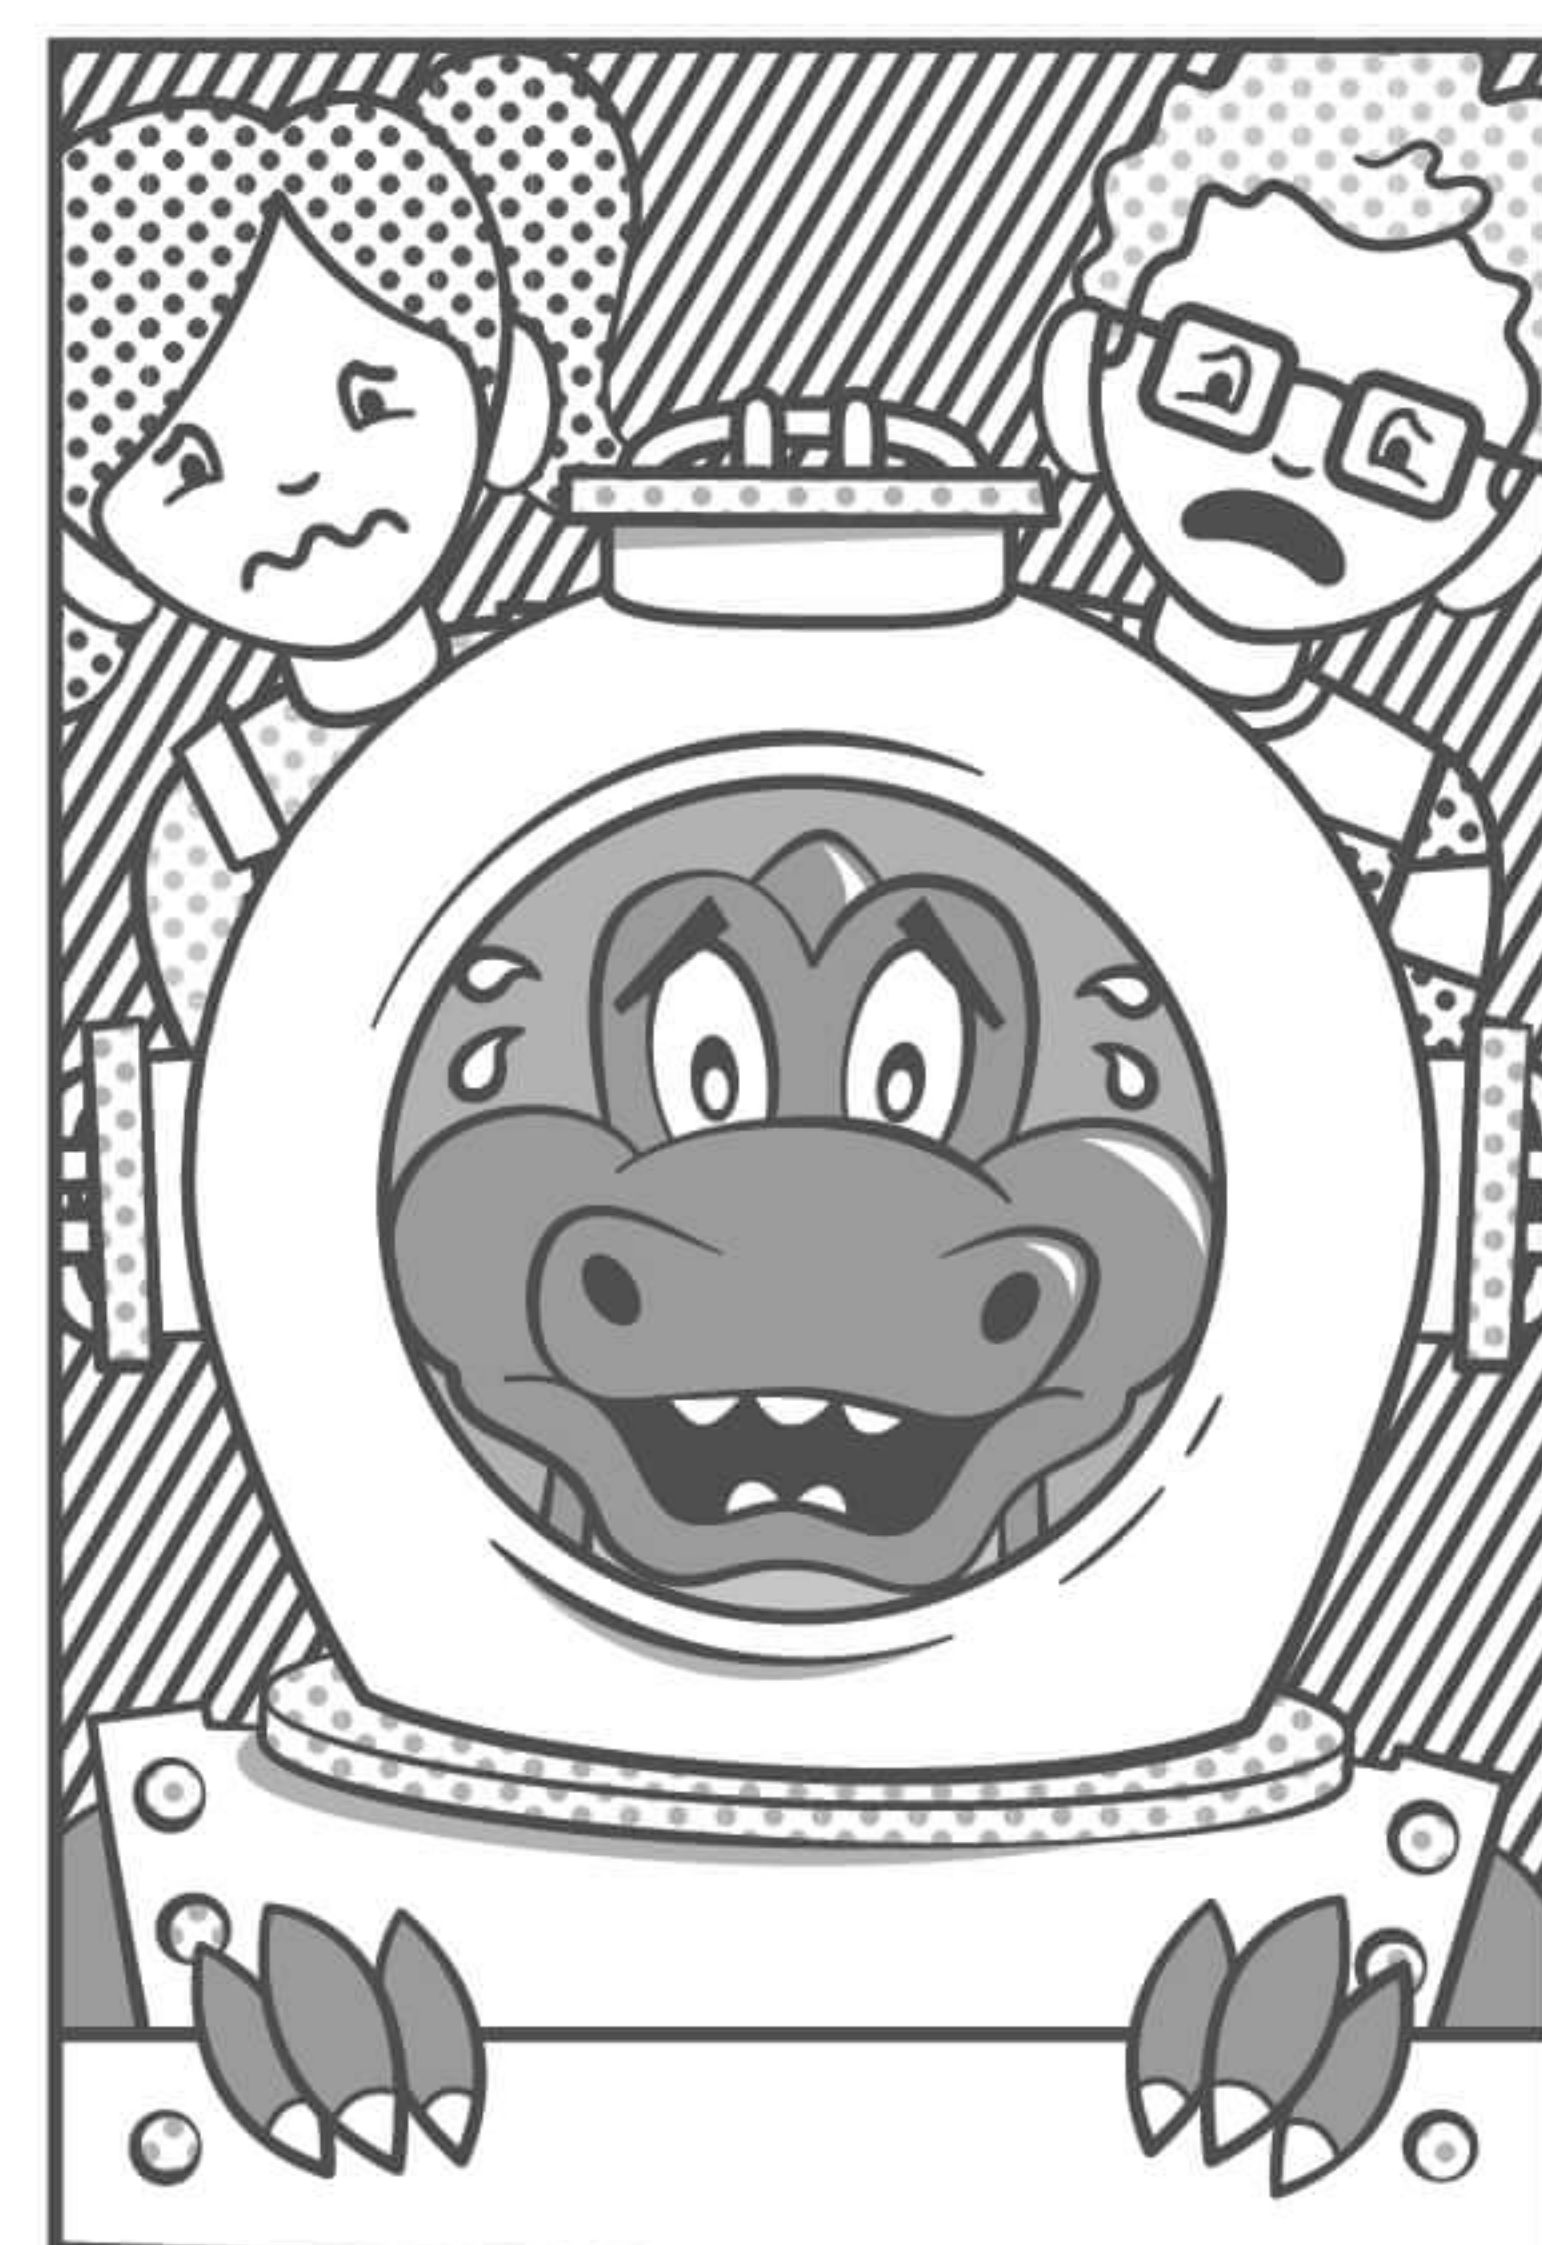

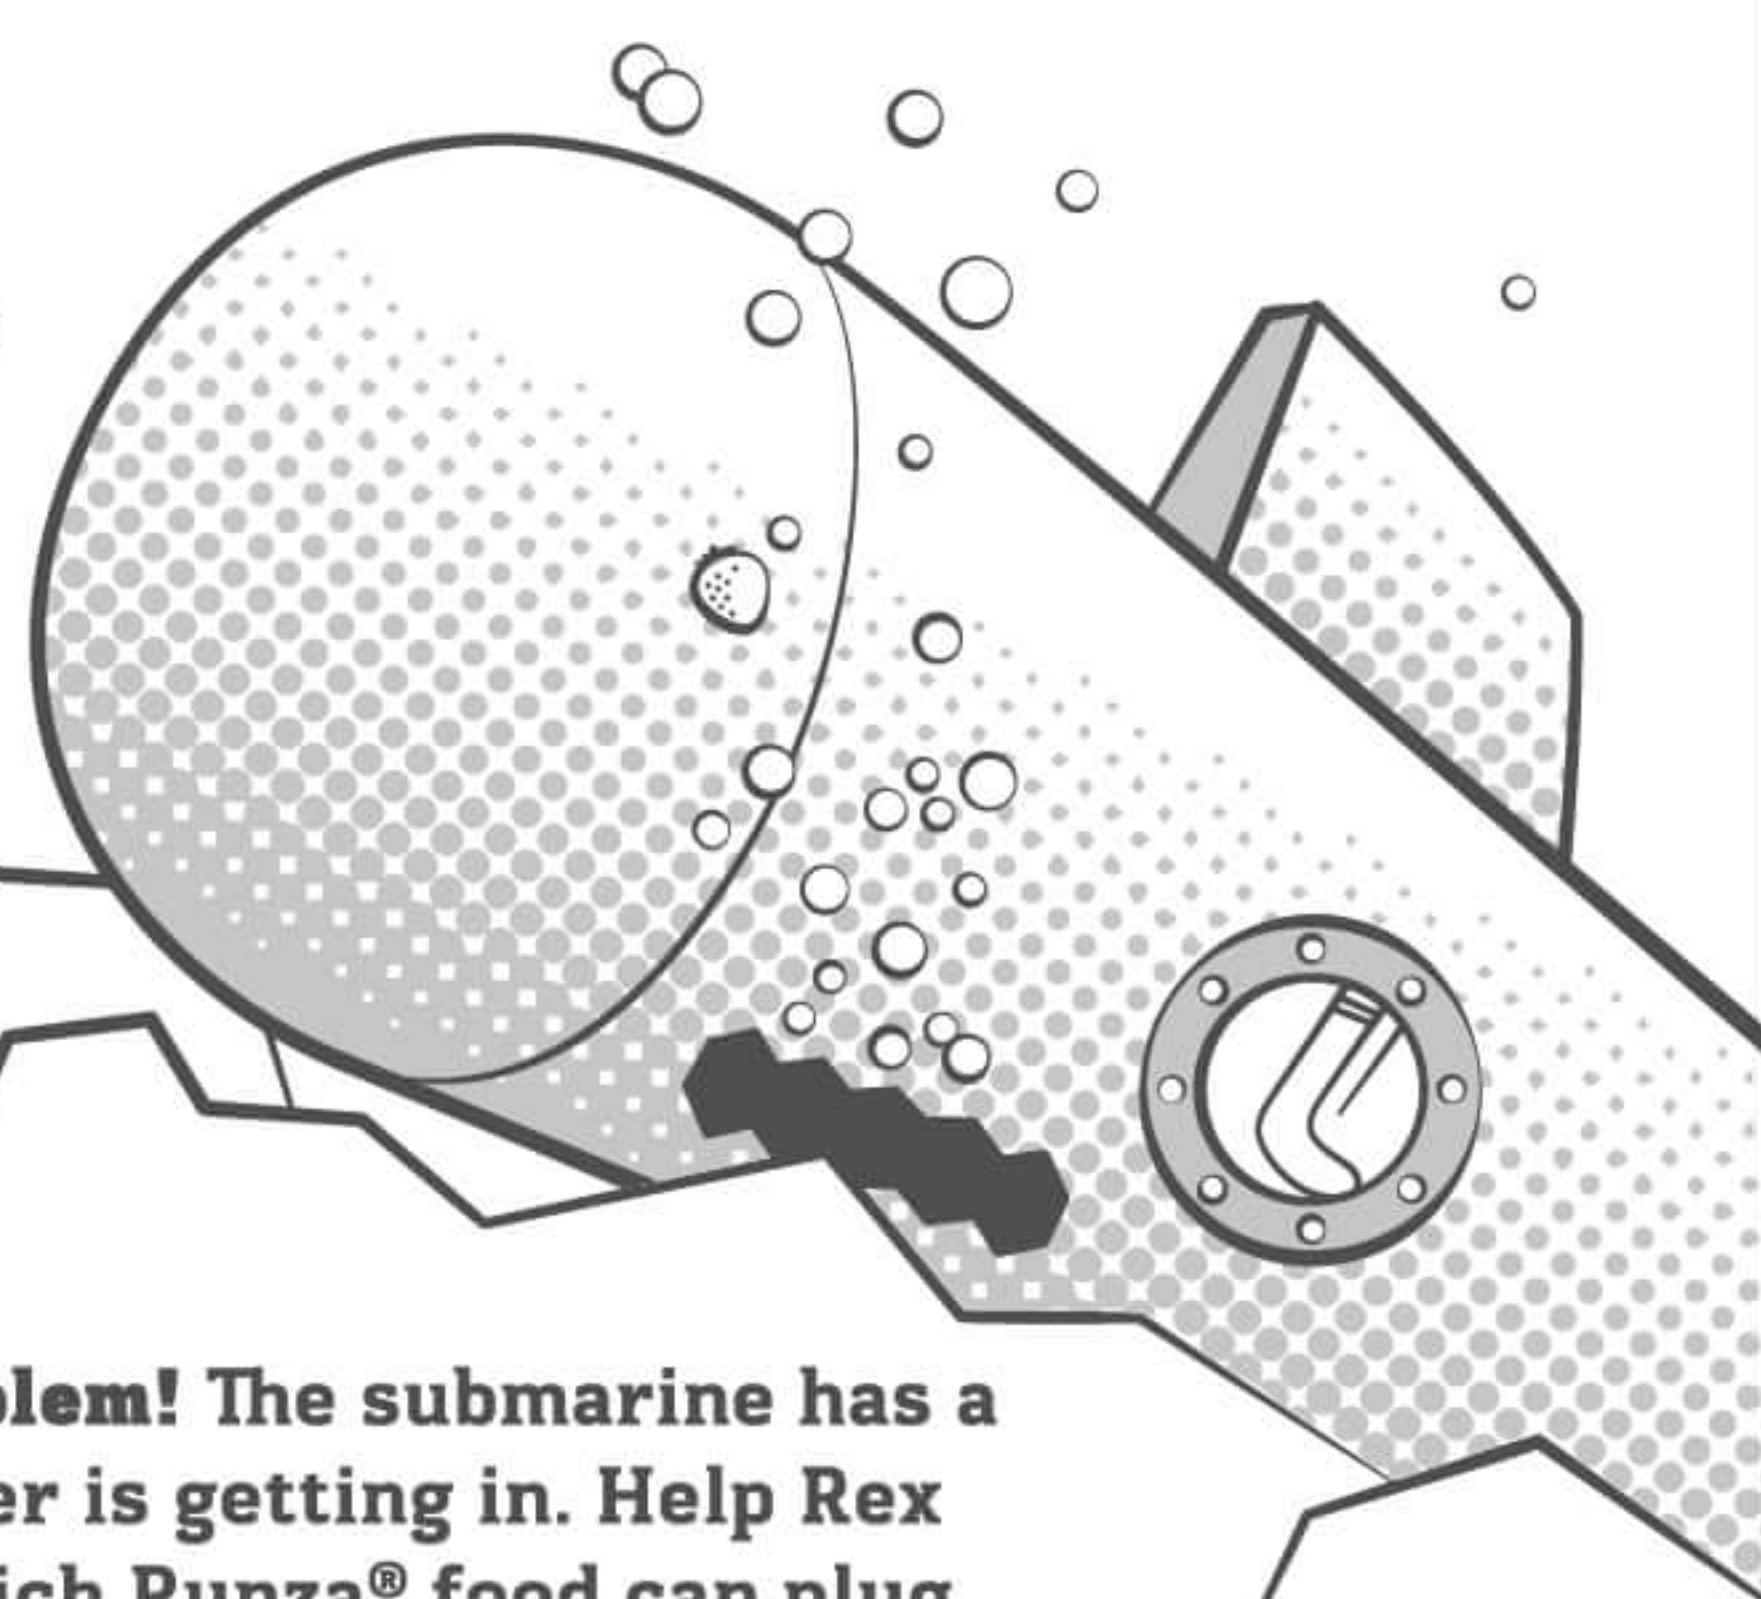

Rex encounters creepy swimmers, big sharks, colorful coral and more. Rex even says he saw a mermaid. But we think it was just a piece of seaweed...

When he gets to the bottom of the ocean, Rex wants to get out and swim around, even with his short little Rex arms.

**HEY KIDS!**  
Ask a parent to help you sign up for Rex's birthday club.

**There's a problem!** The submarine has a leak, and water is getting in. Help Rex figure out which Runza® food can plug the leak, so he can keep exploring!
